General regulations

1. GENERAL PROVISIONS

- 1.1.** Registration will be considered to be official only on reception by the exhibitor of the deposit invoice sent by ENJEU. ENJEU reserves the right to refuse the registration of any exhibitor without having to justify such a refusal.
- 1.2.** The participant may not assign, make available or share, even free of charge, all or part of the concession within the trade fair enclosure without the prior written consent of ENJEU. Similarly, the exhibitor may not advertise goods or firms on the stand without the consent of ENJEU.
- 1.3.** The stand will only be made available to the exhibitor when he has paid in full the sums due.
- 1.4.** ENJEU may use the emplacement in the event of a cancellation or breach of the contract.
- 1.5.** All exhibitors undertake, in their own interest, to keep the stand permanently manned during the opening hours of the trade fair with a person qualified to represent the company and to conduct business.
- 1.6.** No stand may be dismantled before the trade fair is closed.
- 1.7.** ENJEU reserves the right to install an electrical cabinet on the stands (in the corner cupboard where possible) for the needs of the organisation.
- 1.8.** Any stand plan not constructed by ENJEU must be submitted to the technical coordination unit for approval.
- 1.9.** All exhibitors that have reserved bare space undertake to enclose properly the closed sides of their stand, to leave open the free sides and to cover the ground with carpeting (clean material in good condition). Failing this, ENJEU will take steps to fit out the stand (carpeting and enclosures) if this is technically possible. In all cases, an amount of € 40/m² will be billed to the defaulting exhibitor.
- 1.10.** Exhibitors must comply with the provisions of the exhibitor reference manual, which contains general technical information concerning the event and instructions concerning the construction and fitting out of stands, as well as all provisions relating to fire safety and electrical installations. The reference manual will be sent to all exhibitors. Its contents will include order forms for a range of optional services that ENJEU will provide for exhibitors: furniture, telephone connections, flowers, catering, etc.
- 1.11.** Signature of this registration form is deemed to entail acceptance by the enterprise of these general conditions. In addition, it agrees to respect all instructions necessary for the proper running of the trade fair notified by ENJEU or its representatives.
- 1.12.** In the event of a dispute, the courts of Liège shall have sole jurisdiction.
